**Re: Atossa Genetics Inc.
File No. 333-179500**

Dear Mr. Morris:

On behalf of Atossa Genetics Inc. (the "Company"), we hereby respectfully request that the Securities and Exchange Commission (the "Commission") take appropriate action to make the Company's Registration Statement on Form S-1 effective on September 11, 2012 at 4:00 p.m. (Eastern time) or as soon thereafter as practicable, or at such later time as the Company may request by telephone to the Commission. The Company hereby authorizes Ryan Murr or Lisa Kahle of Ropes & Gray, LLP, counsel to the Company, to make such telephonic request on our behalf.

In connection with the above-captioned Registration Statement, the Company acknowledges that:

- no financial statements or information are available or have been distributed other than the financial statements dated as of June 30, 2012 that are included in the prospectus;
 - should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
 - the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the Company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
 - the Company may not assert staff comments and the declaration of effectiveness as a defense in any proceedings initiated by the Commission or any person under the federal securities laws of the United States.
-

Please direct any questions regarding this filing to Lisa Kahle at (415) 315-6320.

Sincerely,

/s/ Steven C. Quay
